TALKIN' 'BOUT THE REVOLUTION

 Congratulations to Dede Mill for her wonderful work in once again making the MYS Night at the Revolution a successful and memorable event for everyone involved. From dealing with the Revs' event people, to putting out notices and reminders, to handling individual ticket requests, Dede did just about everything besides score the winning goal.

A truly "**superstar**" performance!

We've now invaded Foxboro two consecutive years, impressing the Revs people with our numbers, organization and spirit. This is a non-profit event for which Medway Youth Soccer subsidizes the cost so that families in town can enjoy themselves within a community atmosphere. We hope everyone had a wonderful time and will spread the word to make next year even bigger.

Here are some numbers from the evening:

1-1: Final score of the game against the Kansas City Wizard.

16,321: Number of people at Gillette Stadium for the game. It was the largest home crowd of the season for the Revs.

547: Number of people taking part in the Medway Youth Soccer-sponsored event. That's 3.4 percent of the entire crowd that night.

75: Number of pizzas our group went through.

16: Length in feet of the dessert table filled with goodies brought by Medway families.

1000: Number of players in our soccer organization highlighted by Ch. 56 during halftime of the Revolution telecast.

REGISTRATION, PLEASE

 The fall season is off to a great start with beautiful weather (knock on wood) and loads of action. While you're enjoying the fun your children are experiencing, please don't forget to register them for the **spring season**.

Spring 2007 registration is ongoing. All children who are currently playing this fall, must still register for the spring. Most of the teams remain the same.

Anyone registering after Dec. 1 will incur a \$25 late fee and be subject to being put on a waiting list.

You may register at www.medwaysoccer.com and follow the online instructions. In doing this you can register one or more children from home and pay by credit card. Any registration questions can be directed to Penny Kelley at registrar@medwaysoccer.com.

GREAT DAY FOR SOCCER

 Sunday, October 15 is Soccer Day, run in conjunction with the Home and School Association's annual Pumpkin Fair. This is a definite highlight of the fall season.

Held at the Middle School complex, Soccer Day is a day for the whole family beginning with a parade of the teams, starting promptly at noon. We ask that all players arrive at the field behind the football bleachers at 11:30 a.m., where you will find your team and line up.

Each instructional, micro and intramural team will play a total of two games each. In between or after your games, you will have the opportunity to visit the Pumpkin Fair and enjoy the many exciting activities for the kids.

After the games are completed, players will receive medals for their participation. **(Note: There WILL be instructional sessions the day before, Saturday, Oct. 14).**

VOLUNTEERS ARE NEEDED!!!

Medway Youth Soccer will be running a concession stand where we will be selling hamburgers and hot dogs, donated by Outback Steakhouse. We will also be selling colored hair spray for the kids (they love this), and sweatshirts and blankets for the upcoming cold weather.

We are in need of volunteers to help out throughout the day. If you can volunteer an hour or two throughout the day, please contact Pam Cobb at cphacobb@verizon.net.

THINGS TO REMEMBER:

- ⚽ There is no in-town soccer Columbus Day weekend.
- ⚽ Make sure your children have water at all practices and games.
- ⚽ Arrive at least 15 minutes early on game day.
- ⚽ The Medway High varsity girls and boys soccer teams are having terrific seasons and seeing a game is a great way to show your kids at what a high level soccer can be played. Here's the link to their schedules for their remaining games: <http://www.medwayschools.org/highschool/athletics/default.htm>
- ⚽ If it rains, make sure to check the MYS Web site for game updates.
- ⚽ If you child plays travel soccer, here's a link to check on their results and standing: <http://www.bays.org/standings/index.html>
